### OBHC Reading Room

Help document and preserve our coastal and state history. Consider donating family, organization and business, or military collections to us—letters, diaries, photographs, maps, and other records enrich our understanding of North Carolina culture. For more information contact Samantha Crisp at

APR 09 2019

*Beach Driving.* Dr. Victor Meekins Papers, PC.5126. The OBH holds thousands of photographs and negatives that chronicle the coastal landscape and environs from the late 19th to the 21st century. Some of the notable photographers are Dr. Victor and Dr. Meekins, Aycock Brown, Drew Wilson, David Strickland, Charles D'Amours, and George Roberts.

APR 09 2019

The Outer Banks History Center (OBHC) is a regional archival facility administered by the State Archives of North Carolina that collects, preserves, and makes accessible material directly related to the history and culture of the North Carolina coastal region.

APR 09 2019

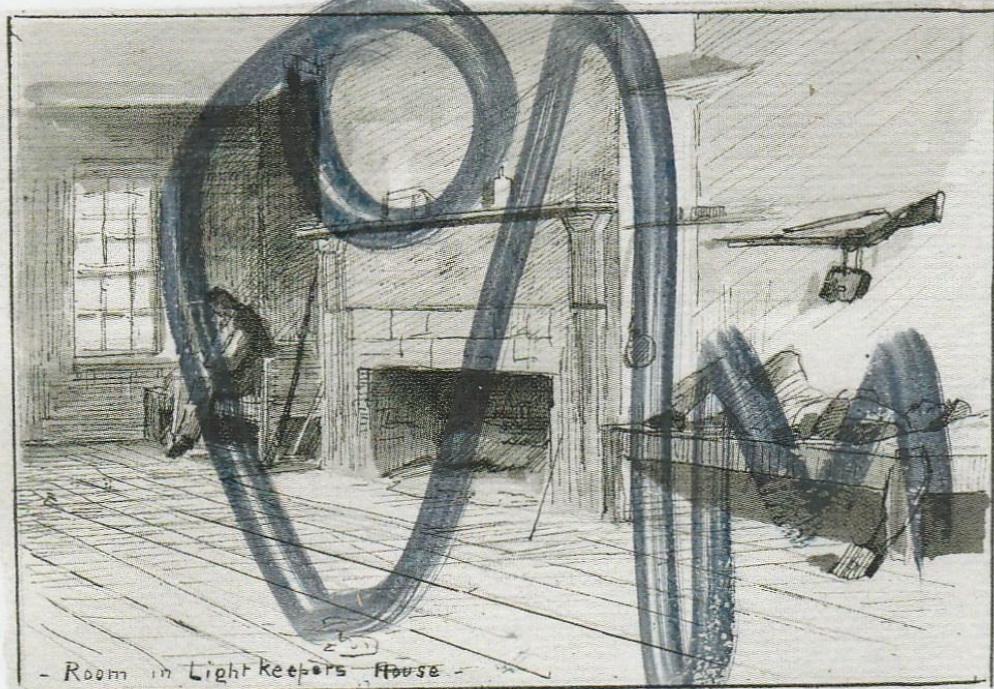

cultural, economic, governmental,  
and scientific topics pertaining to  
coastal North Carolina. Selected  
areas of research include shipwrecks,  
lighthouses, and aids to navigation;  
coastal military operations; discovery  
and early exploration; genealogy and  
family history; and natural history  
and environmental sciences.

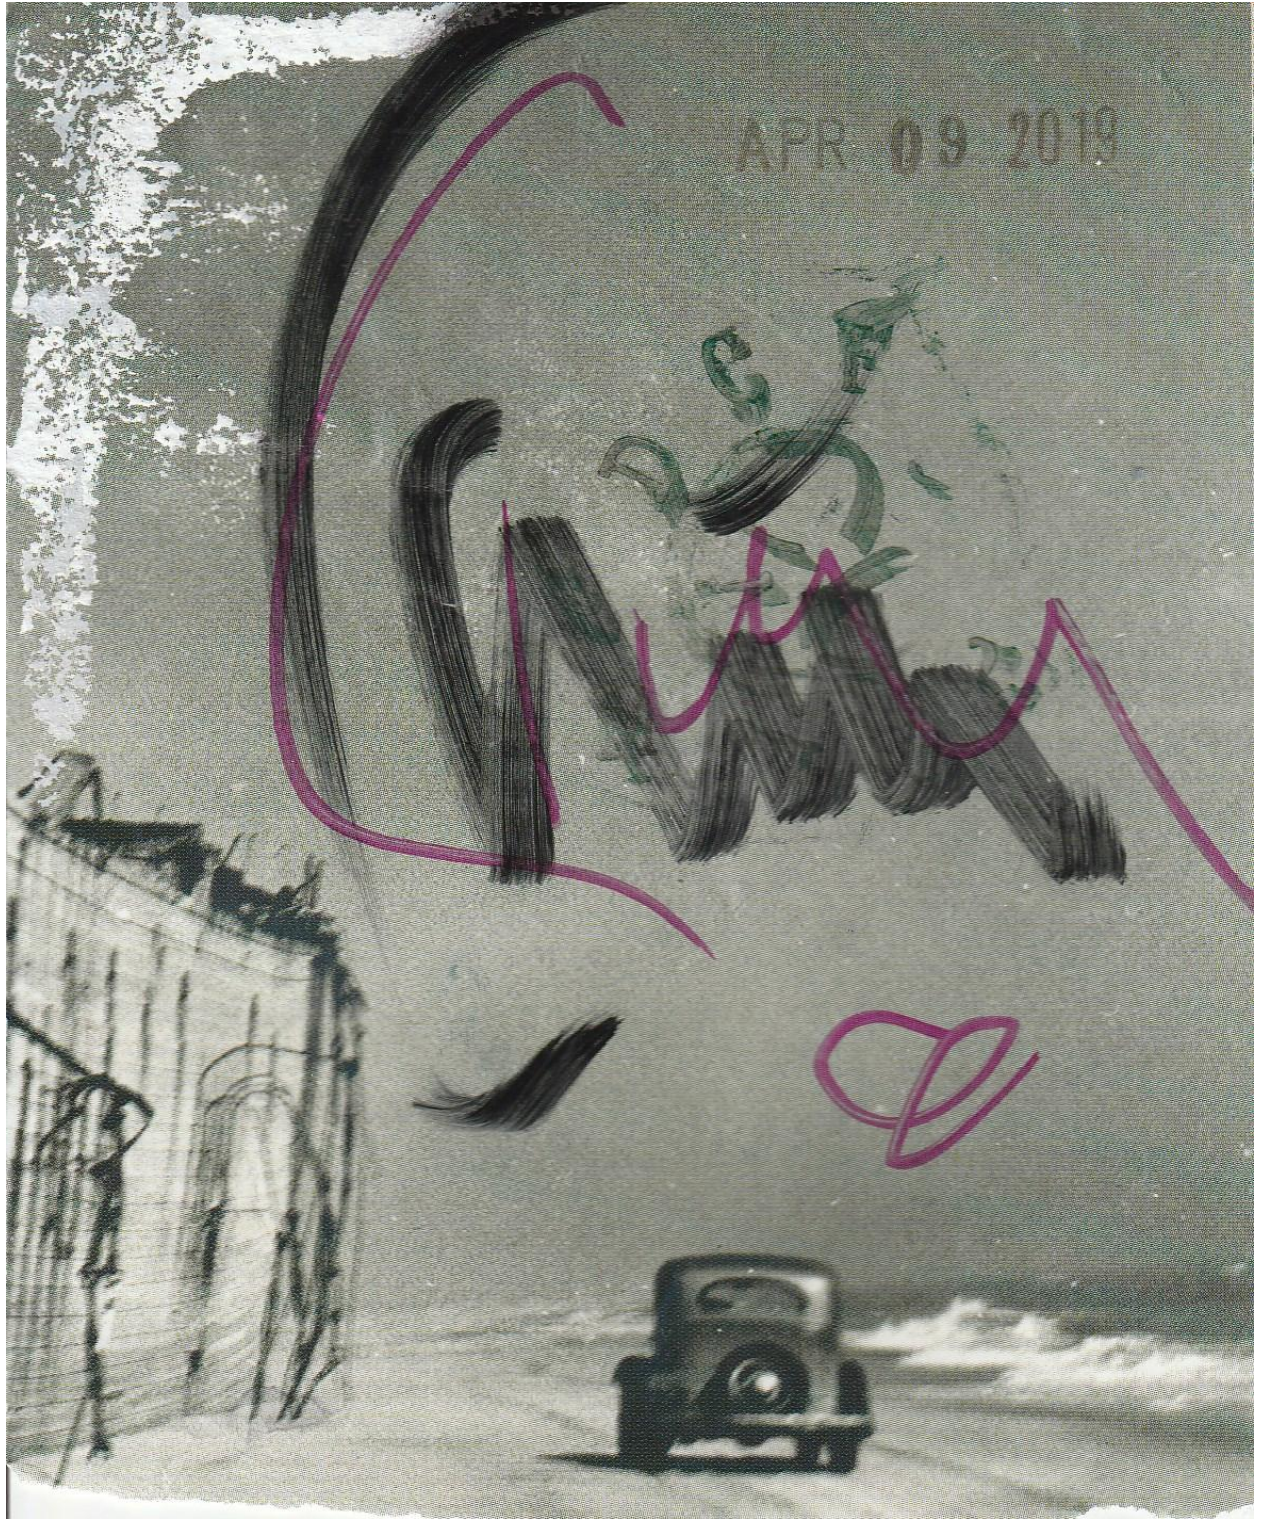

APR 09 2019

*Room in Light Keepers House. Edwin Graves Champney Drawings, AV.5204. Champney was a Union soldier who occupied Roanoke Island during the Civil War. His sketches provide glimpses of the landscape in relation to the lighthouse.*
